And there is a group of spirits out there looking for people like us.

Hunting people like us.

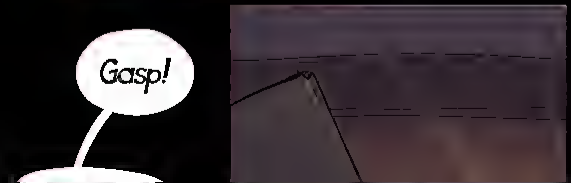
Hello, Miriam Thompson.

GASP!
You... Why are you here?

I am here.
For now.
Just...

..passing by.
You're never just passing by.
I don't trust your presence.

Did you have something to do with the-- the *soul stealing*?!



Gasp!

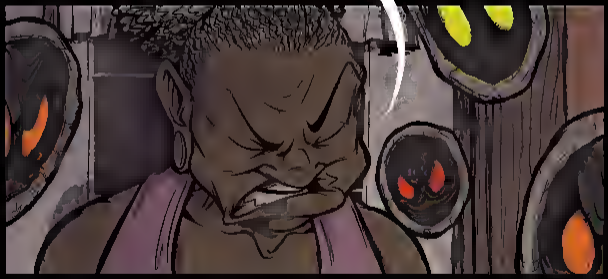
You did!
What is it you and those dark spirits are up to?
I do not plot nor plan activities with others.

And I cannot possibly fathom their intentions.
That is not my domain.
Well, neither is this.

This is my home.
And I did not invite you here.
Very well, Miriam Thompson. I am moving on.

Riven.
Before you go, hear me clearly.
Stay away from my grandchildren.
As I am certain you understand, my age does not make me weak.

And if your hands happen to nudge either of my grandsons in one direction or the other, I promise you...



Your end will come.

What must be...
...must be, Miriam

Thompson
But be careful to control your emotions

Or I may not be the only one to enter your home...

...uninvited.

Thank you for reading.
We love you.
More episodes to come.
